

ELISA M. MAFFIOLI

ACADEMIC APPOINTMENTS

University of Michigan, School of Public Health, Ann Arbor (MI)	
Assistant Professor of Global Public Health	2022 - present
Assistant Professor of Health Management and Policy	2018 - present
Harvard University, Boston (MA)	2023 - 2024
Visiting Assistant Professor, Global Health and Population, Chan School of Public Health	
University of Chicago, Chicago (IL)	2021 - 2024
Director, Development Innovation Lab (DIL), supervising the Water and Child Health projects, and Visiting Scholar at the Becker Friedman Institute (BFI)	

AFFILIATIONS

J-PAL Africa Invited Researcher	2024 - present
Karolinska Institutet, Department of Women's and Children's Health, Sweden	2023 - present
Center for Global Health Equity, University of Michigan	2022 - present
Institute for Healthcare Policy and Innovation, University of Michigan	2019 - present
Global REACH, University of Michigan	2019 - present
African Studies Center (ASC), University of Michigan	2018 - present
Population Studies Center (PSC), University of Michigan	2018 - present

EDUCATION

Duke University, Durham (NC)	2012 - 2018
PhD in Economics	
MA in Economics	
Bocconi University, Milan (Italy)	2009 - 2012
MSc in Economics and Social Sciences	
Bocconi University, Milan (Italy)	2006 - 2009
BA in Economics and Social Sciences	

RESEARCH

Research Focus: Development Economics, Health Economics, Political Economy

Publications

(* Denotes student or trainee co-author; ** Alphabetical order; *** senior author)

Working Papers

- “Outreach Without Overreach: A Vaccination Campaign in Kenya Does Not Create Backlash” (with Kevin Carney, Michael Kremer, Leah Rosenzweig, and Wendy Wong)
- “Does Private Healthcare Investment Respond to Universal Health Coverage (UHC) Progress? Evidence from a Global Difference-in-Differences Analysis” (with Yutong Lu and Mounu Prem)
- “Testing a Community-Based Approach To Expand Access to Safe Water: a Cluster Randomized Controlled Trial in Rural Nigeria” (with Pascaline Dupas, Ana Radu, and Muhammad Munjii Sanusi)

Policy Reports

- “Phase 1 Reports on Inline Chlorination in India and Nigeria, and Vouchers for Safe Water in Kenya and Nigeria”, prepared for GiveWell, 2024 (with Development Innovation Lab at U Chicago and Berkeley University)
- “CHANGE: Community, Health, Agriculture, Nutrition and Gender Empowerment”, prepared for Catholic Relief Services (CRS), 2021 (with Innovations for Poverty Action, Myanmar)
- “The role of Ethnic Armed Organizations in the Provision of a Social Welfare Program in Kayah State of Myanmar”, prepared for the International Growth Center, 2021 (with Nicholus Tint Zaw)
- “How Do Low-Quality Medicines Reach Consumers? A Qualitative Assessment of the Health Supply Chain and Individual Perceptions in Myanmar”, 2021 (with Nicholus Tint Zaw)

- *Social Pension Qualitative Assessment*, prepared for HelpAge International, 2020 (with Nicholus Tint Zaw)
- “*Maternal and Child Cash Transfer Program (LEGACY) in Myanmar – Endline report*”, prepared for Save the Children and LIFT, 2019 (with Erica Field, Nicholus Tint Zaw, Federica Esu, Alexander Fertig)
- “*Maternal and Child Cash Transfer Program (LEGACY) in Myanmar – Midline report*”, prepared for the International Growth Center, 2018 (with Alexander Fertig)
- “*Feasibility Study: Technical Options to Implement a Universal Maternal and Child Cash Transfer Program in Myanmar*”, prepared for IGC, UNICEF, Save the Children, 2015 (with Jenny Hilton)
- “*Leveraging Technology-Enabled Banking Agent Distribution Networks*”, Fino Fintech Foundation, Interim Baseline Report, prepared for Center for Insurance and Risk Management (CIRM), 2014 (with Saurabh Sharma and Rupalee Ruchismita)

GRANTS

Current Research Support as PI/MPI/co-PI

Role: Principal Investigator (MPI: Rahul Ladhanania)

Title: Cross-Trial Causal Machine Learning to Inform Adaptive Safe Water Interventions in Kenya and Nigeria

Source: e-HAIL Student Summer Support Program 2026, University of Michigan

Dates: Summer 2026

Amount: \$15,000

Role: Principal Investigator (MPI: Pascaline Dupas, Ana Radu)

Title: Expanding Access to Safe Water in Nigeria

Source: The Weiss Fund

Dates: January 2026 - July 2026

Amount: \$100,000

Role: Principal Investigator (MPI: Jessica Cohen)

Title: Testing a Biometric Identification System to Improve Malaria Vaccine Completion

Source: Global Development Incubator

Dates: July 2025 - June 2028

Amount: \$1,220,000

Role: Principal Investigator (MPI: Jessica Cohen, Chris Guure)

Title: Providing Real-time Accurate Data to Increase Malaria Vaccine Completion Rates in Ghana

Source: The Weiss Fund

Dates: July 2025 - June 2027

Amount: \$199,823

Role: Co-Principal Investigator (PI: Amy Pickering)

Title: Optimizing the Benefits of Inline Chlorination in Nigeria and India

Source: GiveWell

Dates: April 2025 - September 2027

Amount: \$2,060,000

Past Research Support as PI/MPI/co-PI Role: Principal Investigator

Title: Allocation of Cholera Vaccines in Africa

Source: Office of Global Public Health, University of Michigan

Dates: November 2024 - June 2025

Amount: \$11,920

Role: Principal Investigator (MPI: Jessica Cohen)
Title: Testing a Biometric Identification System to Improve Malaria Vaccine Completion
Source: US Agency of International Development, Development Innovative Ventures (USAID-DIV)
Dates: November 2024 - October 2027
Amount: \$1,500,000
(Awarded, but terminated due to Executive Order 14169)

Role: Principal Investigator (MPI: Pascaline Dupas, Akito Kamei, Michael Kremer, Amy Pickering)
Title: Exploring Safe Water Treatment in Kenya, Nigeria, India (transition grant)
Source: GiveWell
Dates: January 2024 - April 2024
Amount: \$896,000 grant

Role: Principal Investigator (co-PI: Samba Sow)
Title: Exploring the Problem of Low-Quality Antibiotics in Lower and Middle Income Countries
Source: African Social Research Initiative (ASRI), University of Michigan
Dates: May 2023 - May 2024
Amount: \$7,500

Role: Principal Investigator (MPI: Pascaline Dupas, Akito Kamei, Michael Kremer, Amy Pickering)
Title: Exploring Safe Water Treatment in Kenya, Nigeria, India (Phase 1)
Source: GiveWell
Dates: February 2023 - December 2023
Amount: \$1,800,000

Role: Principal Investigator (co-PI: Josh Greenberg)
Title: Governance, Citizenship, and Accountability: A Study of People-Centered Development in the Ugandan Health Sector
Source: Center for Global Health Equity, University of Michigan
Dates: May 2023 - April 2025
Amount: \$99,807

Role: Principal Investigator (MPI: Pascaline Dupas, Akito Kamei, Michael Kremer)
Title: Scaling Up Coupons for Safe Water Treatment in Kenya
Source: JPAL Innovation for Governance Initiative (IGI)
Dates: June 2022 - November 2024
Amount: \$189,108 (IGI-GR-1905)

Role: Co-Principal Investigator (PI: Holly Jarman)
Title: Classifying the Causes, Consequences, and Lessons of Resilience Within International Scientific Collaboration
Source: NSF-EAGER
Dates: September 2021 - August 2023
Amount: \$299,882

Role: Principal Investigator
Title: Protecting the Drug Supply Chain with an Affordable and Handy Innovation in Nigeria
Source: US Agency of International Development, Development Innovative Ventures (USAID-DIV)
Dates: May 2021 - February 2023
Amount: \$306,312

Role: Co-Principal Investigator (PI: Klingberg Allvin)
Title: Understanding Abortion-Related Complications and Midwives' Role in the Provision of Quality Post-Abortion Care and Modern Contraceptives Focusing on Internally Displaced People in Somaliland
Source: Institute for Research on Women and Gender

Dates: March 2021 - March 2023

Amount: \$7,000

Role: Principal Investigator

Title: Protecting the Drug Supply Chain with an Affordable and Handy Innovation in Nigeria

Source: African Social Research Initiative (ASRI), University of Michigan

Dates: May 2022 - September 2022

Amount: \$4,000

Role: Principal Investigator

Title: Protecting the Drug Supply Chain with an Affordable and Handy Innovation in Nigeria

Source: Office of Global Public Health, University of Michigan

Dates: March 2022 - June 2022

Amount: \$7,500

Role: Principal Investigator (MPI: Michael Kremer, Leah Rosenzweig, Wendy Wong)

Title: Exploring Avenues to Increase Vaccination in Kenya

Source: Bill and Melinda Gates Foundation

Dates: November 2021 - May 2022

Amount: \$560,000 (INV-039253)

Role: Principal Investigator

Title: Evaluate the Effectiveness of an Affordable and Handy Innovation in Pharmacies to Reduce the Prevalence of Low-Quality Medicines in Nigeria

Source: African Social Research Initiative (ASRI), University of Michigan

Dates: May 2021 - May 2022

Amount: \$6,667

Role: Co-Principal Investigator (PI: Holly Jarman)

Title: Analysis of Global Pandemic Response Strategies

Source: U. S. Army Corp of Engineers

Dates: May 2021 - August 2021

Amount: \$60,736

Role: Co-Principal Investigator (PI: Holly Jarman)

Title: Comparative Configurational Analysis of SARS-CoV-2 Response Strategies

Source: U. S. Army Corp of Engineers (w912HZ20P0107)

Dates: August 2020 - March 2021

Amount: \$125,000

Role: Principal Investigator

Title: Fostering Trust in State Authorities during COVID-19 Pandemic in Liberia

Source: International Growth Center

Dates: August 2020 - March 2021

Amount: £17,000

Role: Principal Investigator

Title: Fostering Trust in State Authorities during COVID-19 Pandemic in Liberia

Source: Walter J. McNerney Award, University of Michigan

Dates: June 2020 - September 2020

Amount: \$5,000

Role: Principal Investigator

Title: Fostering Trust in State Authorities during COVID-19 Pandemic in Liberia

Source: African Social Research Initiative (ASRI), University of Michigan

Dates: June 2020 - September 2020

Amount: \$7,000

Role: Principal Investigator

Title: The Role of Government and Ethnic Organizations in the Provision of Social Welfare Programs in Kayah State of Myanmar.

Source: International Growth Center

Dates: March 2020 - February 2021

Amount: £19,954

Role: Principal Investigator

Title: Improving the Efficient Use of National Resources: a Cost-Effectiveness Analysis Exercise to Guide the Ministry of Health's Decisions

Source: International Growth Center

Dates: March 2020 - December 2020

Amount: £13,090

Role: Principal Investigator

Title: The Role of Government and Ethnic Organizations in the Provision of Social Welfare Programs in Kayah State of Myanmar.

Source: Elizabeth Caroline Crosby, ADVANCE Program, University of Michigan

Dates: January 2020 - 2021

Amount: \$4,200

Role: Principal Investigator

Title: Improving the Efficiency and Effectiveness of Mozambique's Primary Health Care

Source: Center for African Studies, University of Michigan

Dates: July 2019

Amount: \$2,000

Role: Principal Investigator

Title: Low-Quality Medicines in Myanmar

Source: University of Michigan Office of Global Health

Dates: June 2019 - September 2019

Amount: \$7,500

Role: Principal Investigator

Title: The Local Health Impacts of Natural Resources' Booms in Brazil

Source: Travel Fund, Duke University

Dates: Summer 2017

Amount: \$2,500

Role: Principal Investigator

Title: The Local Health Impacts of Natural Resources' Booms in Brazil

Source: Duke Brazil Initiative Research Grants

Dates: Summer 2017

Amount: \$2,500

Role: Principal Investigator

Title: The Political Economy of Health Epidemics: Evidence from the Ebola Outbreak (Liberia)

Source: Duke Policy Bridge, Sanford School of Public Policy

Dates: 2017

Amount: \$3,400

Role: Principal Investigator

Title: The Political Economy of Health Epidemics: Evidence from the Ebola Outbreak (Liberia)

Source: Global Health Doctoral Dissertation Grant

Dates: March 2016 - March 2017

Amount: \$12,000

Role: Principal Investigator (MPI: Erica Field)

Title: The Health Effects and Effective Delivery of Maternal Cash Transfers in Myanmar

Source: International Growth Center

Dates: 2016-2018

Amount: £145,000

Role: Principal Investigator

Title: The Political Economy of Health Epidemics: Evidence from the Ebola Outbreak (Liberia)

Source: Governance Initiative, J-PAL

Dates: 2015

Amount: \$5,350

Role: Principal Investigator

Title: The Political Economy of Health Epidemics: Evidence from the Ebola Outbreak (Liberia)

Source: International Growth Center

Dates: 2015-2018

Amount: £63,000

Role: Principal Investigator

Title: The Political Economy of Health Epidemics: Evidence from the Ebola Outbreak (Liberia)

Source: Travel Fund, Duke University

Dates: 2015

Amount: \$5,000

Past Research Support as co-Investigator

Role: Co-Investigator (MPI: Cheryl A. Moyer, Ashura Bakari)

Title: Improving Early Identification of Neonatal Jaundice Using Community Health Workers and a hand-held Bili-Ruler in northern Ghana

Source: Center for Global Health Equity, University of Michigan

Dates: July 2024 - June 2025

Amount: \$99,950

Role: Co-Investigator (PI: Tewodros Seyoum)

Title: Improving Access to Comprehensive Abortion Care Services among Internally Displaced Women in Humanitarian Setting through Midwifery-led Person-Centered Care: A Mixed Method Study in Northern Ethiopia

Source: ELRHA

Dates: July 2023 - October 2024

Amount: £394,197

Role: Co-Investigator (PI: Josh Ehrlich)

Title: Developing Infrastructure for the Longitudinal Study of Health and Aging in Kenya (LOSHAK)

Source: Aga Khan University/NIH (R21)

Dates: April 2022 - March 2024

Amount: \$128,700

Role: Co-Investigator (PI: Klingberg Allvin)

Title: Understanding Abortion-Related Complications and Midwives' Role in the Provision of Quality Post-Abortion Care and Modern Contraceptives Focusing on Internally Displaced People in Somaliland

Source: ELRHA (seed funding)

Dates: January 2021 - March 2021

Amount: £9,820

Pending Research Support

Role: Co-Investigator (PI: Zachary Wagner)

Title: mHealth voucher program for the redemption of health commodities through Patent and Proprietary Medicine Vendors (PPMVs)

Source: National Institutes of Health (R21/R33 Phased Innovation Award)

Dates: December 2026 - November 2031

PROFESSIONAL EXPERIENCE

Family Health International (FHI360)

Consultant

October 2023-March 2025

Abuja, Nigeria

- Using Machine Learning to Reduce HIV Treatment Interruption

Malaria Consortium

Consultant

February-September 2023

Maputo, Mozambique

- Cost-Effectiveness Analysis of Seasonal Malaria Chemo-prevention

Malaria Consortium

Consultant

July-September 2021

Maputo, Mozambique

- Costing Analysis of Malaria Surveillance Strengthening Project

HelpAge International

Consultant

January-March 2020

Yangon, Myanmar

- Assessment of National Social Pension Program

UNICEF, Save the Children, and IGC

Consultant

May-August 2015

Yangon, Myanmar

- Feasibility Study for a Maternal and Child Cash Transfer Program in Myanmar

Duke University

Research Assistant

September 2013 - May 2018

Durham, NC

- Research Assistant for Prof. Erica Field

World Bank

Research Manager

January 2011 - July 2012

Maseru, Lesotho

- Research Manager for Prof. Svensson, Prof. Bjorkman, Dr. de Walque, and Prof. Corno on the project "Short-Term Financial Incentives, Sexual Behavior and HIV".

IGIER

Research Assistant

October - December 2010

Milan, Italy

- Research Assistant on several projects in development and health economics for Prof. Martina Bjorkman.

Mimoza Enterprises Finance Pvt Ltd

Summer Intern

June - August 2009

Dehradun, UP, India

- Research Intern for microfinance institution

COLLABORATIONS

Ghana Health Services, Ghana	2024 - present
National Institute of Medical Research (NIMR), Nigeria	2022 - 2024
Ministry of Health, Kenya	2021 - 2024
Community Health and Development Network, Myanmar	2019 - 2021
Ministry of Health, The National Malaria Control Program, Mozambique	2019 - 2024
Pan American Health Organization (PAHO/WHO), Brazil	2017
Ministry of Welfare, Relief, and Resettlement, Myanmar	2015 - 2019
Livelihoods and Food Security Fund (LiftFund), Myanmar	2015 - 2019
Save the Children, Myanmar	2015 - 2019
Ministry of Health, Ebola Research Unit, Liberia	2015 - 2016
O' Meara Lab, Kenya	2014 - 2015

FIELD WORK EXPERIENCE

Oti Region, Ghana	November 2024, July 2025
Madya Pradesh, Odisha, India	June 2023
Abuja and Kano, Nigeria	November 2022, August 2023, May 2024, October 2025
Nairobi, Kenya	August 2021
Maputo, Mozambique	June 2019
Rio de Janeiro and Brasilia, Brazil	July 2017, December 2022
Dry Zone, Kayah, Kayin, Myanmar	May 2015, Apr 2016, Sept 2018, May and Dec 2019
Monrovia and Bong County, Liberia	April, July, December 2015, June 2017
Eldoret, Bungoma East, Kenya	July-August, December 2014
Thanjavur, Tamil Nadu, India	July-August 2013, 2014
Maseru, Lesotho	January 2011-July 2012

EXTRAMURAL INVITED TALKS

1. Scuola Superiore Sant'Anna, Institute of Economics, Pisa, Italy (June 10, 2025). *"Strategies to Increase COVID-19 Vaccination in Kenya: Does Social Pressure Play a Role?"*.
2. IFS-ADBI-GHE Workshop on Health Economics in LMICs 2025, London, UK (May 16, 2025). *"Strategies to Increase COVID-19 Vaccination in Kenya: Does Social Pressure Play a Role?"*.
3. University of Pennsylvania, Penn Medical Ethics and Health Policy, Philadelphia, PE (September 12, 2024). *"Convenient Access and Invitations: Increasing COVID-19 Vaccination in Kenya"*.
4. Università degli Studi di Cagliari, Cagliari, Italy. From Sardinia to the World: The Impact of Malaria and Other Infectious Diseases on Health and Economic Development, Panelist (June 21, 2024). *"The Allocation of Resources during Health Epidemics"*.
5. Stanford University, Rosenkranz Global Health Policy Research Symposium, Stanford, CA (May 21, 2024) *"Convenient Access and Invitations: Increasing COVID-19 Vaccination in Kenya"*.

INTERNATIONAL SERVICES

Grant reviewer, Evidence for AI in Health (EVAH) initiative, JPAL	2026
Associate editor, BMJ Global Health	2025 - 2027
Abstract reviewer, International Maternal Newborn Health Conference 2026 (IMNHC)	2025
Grant reviewer, Weiss Asset Management Foundation (WAM)	2025
Abstract reviewer, American Society of Health Economists (ASHEcon)	2025, 2026
Organizer, Global Health Economics (GHE) Seminar Fall and Spring Series	2024 - 2026
Mentor, Global Health Economics (GHE) Workshop	2022
Grant reviewer, US Agency for International Development, Development Innovative Ventures	2021

UNIVERSITY AND SCHOOL SERVICES

Reviewer Committee for Office of Global Public Health Master's Internship Funding	2025
Global Public Health Faculty Advisory Committee	2021 - 2022, 2024 - 2026
African Studies Center, UMAPS Review Committee	2021 - 2022
Lester Monts Award 2021, Review Committee	2021
ASC Student Research and Internship, Reviewer	2019 - 2020

HMP DEPARTMENT SERVICE

Diversity Equity Inclusion Committee	2025
Economics Search Committee	2022 - 2023
Professional Development and Mentorship Committee	2020 - 2021
Global Health Certificate Committee	2019 - 2021, 2024 - 2026
Residential Master Committee	2019 - 2021, 2025 - 2026
Curriculum Committee	2018 - 2019

TEACHING EXPERIENCE

University of Michigan

- The Economics of Health Management and Policy, Instructor (Master) 2021-2022, 2025, 2026
- Introduction to Economic Evaluation, Instructor (Master) 2019-2023, 2025, 2026
- Health Policy Challenges in Developing Countries, Instructor (Master) 2019-2021, 2025, 2026
- The Economics of Health Management and Policy, Co-Instructor (Executive Master) 2019-2021

Duke University

- Field Experiments (PhD), Instructor Summer 2016
- Economics of Global Health (Undergraduate), Teaching Assistant 2015

GUEST LECTURES

- University of Notre Dame, Keough School of Global Affairs, Global Health Policy (March 2025)
- Harvard University, Global Health and Population, Concepts&Methods of Global Health and Population Studies - GPH 210 (February 2024)
- Dalarna University, Sweden, Intro to Cost Effectiveness Analysis, Master of Global Sexual and Reproductive Health (April 2021)
- University of Michigan, Health Management and Policy, Pandemic Policy - HMP 681 (September 2020)
- University of Michigan, Health Management and Policy, Advanced Seminar In Health Care Economics - HMP 827 (April 2020)
- University of Michigan, Health Management and Policy, Introduction to Health Services and Policy Research - HMP 802 (November 2019)

PHD STUDENTS' DISSERTATION COMMITTEE MEMBER*(role, first placement)*

- Jeremy Lowe, Environmental Engineering, University of California Berkeley (dissertation committee member, - present)
- Camilla Bjelland, School of Nursing, University of Michigan (dissertation committee member, - present)
- Katherine Kruger, School of Nursing, University of Michigan (dissertation committee member, - present)
- Grace Chung, Health Management and Policy, University of Michigan (dissertation committee member, Postdoctoral Scholar, Medical School, University of Michigan)
- Haeun Lee, School of Nursing, University of Michigan (dissertation committee member, Impact Scholar, Center for Global Health Equity, University of Michigan)
- Philipp Martin Kastrau, Universitat Pompeu Fabra, Barcelona, Spain (external dissertation committee member, Open Philanthropy)

MASTER THESIS READER

- Yutong Lu, Global Health and Population, Chan School of Public Health, Harvard University

STUDENT MENTORSHIP*Postdoctoral Scholars*

Akito Kamei, University of Chicago (July 2021 - July 2025)

Catlan Reardon, University of Chicago (July 2023 - December 2024)

Predocctoral Associates

Astha Vorha, University of Chicago/Chicago Trust India (July 2022 - July 2024)

Michelle Cherian, University of Chicago (July 2022- May 2024)

Shashank Patil, University of Chicago (January 2023 - March 2024)

Funmilayo Ajayi, University of Chicago (July 2023 - May 2024)

Research Assistants

Gayatri Sarda, HMP, University of Michigan (Summer 2025)

Gustavo Acosta Matos, Economics, University of Michigan (Summer 2024 - present)

Yutong Lu, GHP, Harvard University (January 2024 - present)

Wanru Liu, GHP, Harvard University (Winter 2024)

Nicholus Tint Zaw, Harris School of Public Policy, University of Chicago (September 2020 - June 2022)

Marie Montas, HMP, University of Michigan and GPH Harvard (September 2021- April 2022)

Daisey Yu, PHS, University of Michigan (September 2020 - July 2024)

Alex Parks, HBE, University of Michigan (September 2020 - May 2021)

Natalie Filipowicz, HBE, University of Michigan (September 2020 - May 2021)

Jasmina Cunmulaj, HBE, University of Michigan (September 2020 - May 2021)

Angie Miller, HMP, University of Michigan (June 2019 - May 2020)

Brendan Quddus O'shea, HMP, University of Michigan (July 2019 - May 2020)

Abdullah Adel Alsulimani, HMP, University of Michigan (July 2019 - May 2020)

Faculty Advisor

Capstone: Jenelle DeBaeke, Medina Sabic, Katelyn Sasaki, Phoebe Watson (January - April 2025)

Emory Global Case Competition: Haja Dabo, Fransisca Anozie, Julide Mayer, Nayomi Cawthorne, Nikita Rohila, Sarah Olson (March 2026)

Interns

Tayler Whitting, SPH, University of Michigan, CGHE (Summer 2024)

Annie Hung, HMP, University of Michigan (Summer 2019)

Ruth Carcillo, HMP, University of Michigan (Summer 2019)

Taylor Whittington, OEE, University of Michigan (Summer 2019)

Independent Studies

Eesha Acharya, Ford School of Public Policy, University of Michigan (Winter 2024)

Roz Murray, HMP, University of Michigan (Fall 2021)

Anu Warriar, HMP, University of Michigan (Fall 2021)

Sienna Mark, HMP, University of Michigan (Winter 2021)

Undergraduate Research Opportunity Program (UROP)

Stephanie Haviaras, Biology, Health and Society, University of Michigan (October 2025 - April 2026)

Cedrick Coburn, Biology, Health and Society, University of Michigan (October 2025 - April 2026)

Farwa Akbari, Public Health, University of Michigan (October 2021 - April 2023)

Abednego Saah, Public Health, University of Michigan (October 2021 - April 2022)
